| 3         | 99            | Health Care Facilities                                                                                                                       | 2024        | NFPA(FIRE)          |             |
| 4         | 101           | Life Safety Code                                                                                                                             | 2024        | NFPA(FIRE)          |             |
| 5         | 790           | Standard for Competency of Third-Party Field Evaluation Bodies                                                                               | 2024        | NFPA(FIRE)          |             |
| 6         | 791           | Recommended Practice and Procedures for Unlabeled Electrical Equipment Evaluation                                                            | 2024        | NFPA(FIRE)          |             |
| 7         | 1082          | Standard for Facilities Fire and Life Safety Director Professional Qualifications                                                            | 2023        | NFPA(FIRE)          |             |
| 8         | 701           | Standard Methods of Fire Tests for Flame Propagation of Textiles and Films                                                                   | 2023        | NFPA(FIRE)          |             |
| 9         | 715           | Standard for the Installation of Fuel Gases Detection and Warning Equipment                                                                  | 2023        | NFPA(FIRE)          |             |
| 10        | 730           | Guide for Premises Security                                                                                                                  | 2023        | NFPA(FIRE)          |             |
| 11        | 750           | Water Mist Fire Protection Systems                                                                                                           | 2023        | NFPA(FIRE)          |             |
| 12        | 780           | Installation of Lightning Protection Systems                                                                                                 | 2023        | NFPA(FIRE)          |             |
| 13        | 855           | Standard for the Installation of Stationary Energy Storage Systems                                                                           | 2023        | NFPA(FIRE)          |             |
| 14        | 1986          | Standard on Respiratory Protection Equipment for Tactical and Technical Operations                                                           | 2023        | NFPA(FIRE)          |             |
| 15        | 1987          | Standard on Combination Unit Respirator Systems for Tactical and Technical Operations                                                        | 2023        | NFPA(FIRE)          |             |
| 16        | 2112          | Flame-Resistant Garments for Protection of Industrial Personnel Against Flash Fire                                                           | 2023        | NFPA(FIRE)          |             |
| 17        | 130           | Fixed Guideway Transit and Passenger Rail Systems                                                                                            | 2023        | NFPA(FIRE)          |             |
| 18        | 253           | Standard Method of Test for Critical Radiant Flux of Floor Covering Systems Using a Radiant Heat Energy Source                               | 2023        | NFPA(FIRE)          |             |
| 19        | 259           | Standard Test Method for Potential Heat of Building Materials                                                                                | 2023        | NFPA(FIRE)          |             |
| 20        | 261           | Standard Method of Test for Determining Resistance of Mock-Up Upholstered Furniture Material Assemblies to Ignition by Smoldering Cigarettes | 2023        | NFPA(FIRE)          |             |
| 21        | 274           | Standard Test Method to Evaluate Fire Performance Characteristics of Pipe Insulation                                                         | 2023        | NFPA(FIRE)          |             |
| 22        | 276           | Standard Method of Fire Test for Determining the Heat Release Rate of Roofing Assemblies with Combustible Above-Deck Roofing Components      | 2023        | NFPA(FIRE)          |             |
| 23        | 290           | Fire Testing of Passive Protection Materials for Use on LP-Gas Containers                                                                    | 2023        | NFPA(FIRE)          |             |
| 24        | 301           | Code for Safety to Life from Fire on Merchant Vessels                                                                                        | 2023        | NFPA(FIRE)          |             |
| 25        | 495           | Explosive Materials Code                                                                                                                     | 2023        | NFPA(FIRE)          |             |
| 26        | 498           | Safe Havens and Interchange Lots for Vehicles Transporting Explosives                                                                        | 2023        | NFPA(FIRE)          |             |
| 27        | 557           | Standard for Determination of Fire Loads for Use in Structural Fire Protection Design                                                        | 2023        | NFPA(FIRE)          |             |
| 28        | 88A           | Parking Structures                                                                                                                           | 2023        | NFPA(FIRE)          |             |
| 29        | 68            | Explosion Protection by Deflagration Venting                                                                                                 | 2023        | NFPA(FIRE)          |             |
| 30        | 70            | National Electrical Code                                                                                                                     | 2023        | NFPA(FIRE)          |             |
| 31        | 70B           | Recommended Practice for Electrical Equipment Maintenance                                                                                    | 2023        | NFPA(FIRE)          |             |
| 32        | 85            | Boiler and Combustion Systems Hazards Code                                                                                                   | 2023        | NFPA(FIRE)          |             |
| 33        | 86            | Ovens and Furnaces                                                                                                                           | 2023        | NFPA(FIRE)          |             |
| 34        | 2             | Hydrogen Technologies Code                                                                                                                   | 2023        | NFPA(FIRE)          |             |
| 35        | 22            | Water Tanks for Private Fire Protection                                                                                                      | 2023        | NFPA(FIRE)          |             |

|    |      |                                                                                                                                    |      |            |    |
|----|------|------------------------------------------------------------------------------------------------------------------------------------|------|------------|----|
| 36 | 25   | Inspection, Testing, and Maintenance of Water-Based Fire Protection Systems                                                        | 2023 | NFPA(FIRE) |    |
| 37 | 30B  | Code for the Manufacture and Storage of Aerosol Products                                                                           | 2023 | NFPA(FIRE) |    |
| 38 | 51   | Design and Installation of Oxygen/Fuel Gas Systems for Welding, Cutting, and Allied Processes                                      | 2023 | NFPA(FIRE) |    |
| 39 | 52   | Vehicular Fuel Systems Code                                                                                                        | 2023 | NFPA(FIRE) |    |
| 40 | 55   | Storage, Use, and Handling of Compressed Gases and Cryogenic Fluids in Portable and Stationary Containers, Cylinders, and Tanks    | 2023 | NFPA(FIRE) |    |
| 41 | 56   | Standard for Fire and Explosion Prevention During Cleaning and Purging of Flammable Gas Piping Systems - Effective Date: 6/17/2013 | 2023 | NFPA(FIRE) |    |
| 42 | 13H  | Automatic Sprinkler Systems Handbook                                                                                               | 2022 | NFPA(FIRE) |    |
| 43 | 704  | Identification of the Hazards of Materials for Emergency Response                                                                  | 2022 | NFPA(FIRE) | 37 |
| 44 | 1123 | Code for Fireworks Display                                                                                                         | 2022 | NFPA(FIRE) |    |
| 45 | 10   | Portable Fire Extinguishers                                                                                                        | 2022 | NFPA(FIRE) | 0  |
| 46 | 12   | Carbon Dioxide Extinguishing Systems                                                                                               | 2022 | NFPA(FIRE) | 0  |
| 47 | 12A  | Halon 1301 Fire Extinguishing Systems                                                                                              | 2022 | NFPA(FIRE) | 0  |
| 48 | 13   | Installation of Sprinkler Systems                                                                                                  | 2022 | NFPA(FIRE) | 0  |
| 49 | 13D  | Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes                                          | 2022 | NFPA(FIRE) | 0  |
| 50 | 13R  | Installation of Sprinkler Systems in Residential Occupancies up to and Including Four Stories in Height                            | 2022 | NFPA(FIRE) | 0  |
| 51 | 15   | Water Spray Fixed Systems for Fire Protection                                                                                      | 2022 | NFPA(FIRE) | 0  |
| 52 | 18A  | Water Additives for Fire Control and Vapor Mitigation                                                                              | 2022 | NFPA(FIRE) | 0  |
| 53 | 20   | Installation of Stationary Pumps for Fire Protection                                                                               | 2022 | NFPA(FIRE) | 0  |

| 686 | 329  | Recommended Practice for Handling Releases of Flammable and Combustible Liquids and Gases - Effective Date: 12/1/2014                                                                        | 2015 | NFPA(FIRE) | 27  |
| 687 | 405  | Standard for the Recurring Proficiency of Airport Fire Fighters - Effective Date: 12/01/2014                                                                                                 | 2015 | NFPA(FIRE) | 23  |
| 688 | 410  | Standard on Aircraft Maintenance - Effective Date: 12/1/2014                                                                                                                                 | 2015 | NFPA(FIRE) | 38  |
| 689 | 484  | Standard for Combustible Metals - Effective Date: 05/19/2014                                                                                                                                 | 2015 | NFPA(FIRE) | 151 |
| 690 | 600  | Standard on Facility Fire Brigades - Effective Date: 12/1/2014                                                                                                                               | 2015 | NFPA(FIRE) | 30  |
| 691 | 601  | Standard for Security Services in Fire Loss Prevention - Effective Date: 02/03/2014                                                                                                          | 2015 | NFPA(FIRE) | 19  |
| 692 | 701  | Standard Methods of Fire Tests for Flame Propagation of Textiles and Films - Effective Date: 12/1/2004                                                                                       | 2015 | NFPA(FIRE) | 19  |
| 693 | 703  | Standard for Fire Retardant Treated Wood and Fire-Retardant Coatings for Building Materials - Effective Date: 07/29/2014                                                                     | 2015 | NFPA(FIRE) | 16  |
| 694 | 720  | Standard for the Installation of Carbon Monoxide (CO) Detection and Warning Equipment - Effective Date: 9/3/2014                                                                             | 2015 | NFPA(FIRE) | 91  |
| 695 | 731  | Standard for the Installation of Electronic Premises Security Systems - Effective Date: 9/3/2014                                                                                             | 2015 | NFPA(FIRE) | 63  |
| 696 | 750  | Standard on Water Mist Fire Protection Systems - Effective Date: 7/29/2014                                                                                                                   | 2015 | NFPA(FIRE) | 88  |
| 697 | 804  | Standard for Fire Protection for Advanced Light Water Reactor Electric Generating Plants - Effective Date: 12/01/2014                                                                        | 2015 | NFPA(FIRE) | 59  |
| 698 | 805  | Performance-Based Standard for Fire Protection for Light Water Reactor Electric Generating Plants - Effective Date: 12/01/2014                                                               | 2015 | NFPA(FIRE) | 70  |
| 699 | 806  | Performance-Based Standard for Fire Protection for Advanced Nuclear Reactor Electric Generating Plants Change Process - Effective Date: 12/01/2014                                           | 2015 | NFPA(FIRE) | 37  |
| 700 | 850  | Recommended Practice for Fire Protection for Electric Generating Plants and High Voltage Direct Current Converter Stations - Effective Date: 12/01/2014                                      | 2015 | NFPA(FIRE) | 90  |
| 701 | 853  | Standard for the Installation of Stationary Fuel Cell Power Systems - Effective Date: 7/1/2014                                                                                               | 2015 | NFPA(FIRE) | 23  |
| 702 | 914  | Code for Fire Protection of Historic Structures - Effective Date: 12/1/2014                                                                                                                  | 2015 | NFPA(FIRE) | 248 |
| 703 | 950  | Standard for Data Development and Exchange for the Fire Service - Effective Date: 12/1/2014                                                                                                  | 2015 | NFPA(FIRE) | 18  |
| 704 | 1003 | Standard for Airport Fire Fighter Professional Qualifications - Effective Date: 12/1/2014                                                                                                    | 2015 | NFPA(FIRE) | 25  |
| 705 | 1035 | Standard on Fire and Life Safety Educator, Public Information Officer, Youth Firesetter Intervention Specialist, and Program Manager Professional Qualifications - Effective Date: 12/1/2014 | 2015 | NFPA(FIRE) | 39  |
| 706 | 1091 | Standard for Traffic Control Incident Management Personnel Professional Qualifications - Effective Date: 12/1/2014                                                                           | 2015 | NFPA(FIRE) | 21  |
| 707 | 1192 | Standard on Recreational Vehicles - Effective Date: 9/3/2014                                                                                                                                 | 2015 | NFPA(FIRE) | 55  |
| 708 | 1201 | Standard for Providing Fire and Emergency Services to the Public - Effective Date: 12/1/2014                                                                                                 | 2015 | NFPA(FIRE) | 26  |
| 709 | 1250 | Recommended Practice in Fire and Emergency Services Organization Risk Management - Effective Date: 12/01/2014                                                                                | 2015 | NFPA(FIRE) | 25  |
| 710 | 1407 | Standard for Training Fire Service Rapid Intervention Crews - Effective date: 02/03/2014                                                                                                     | 2015 | NFPA(FIRE) | 23  |
| 711 | 1408 | Standard for Training Fire Service Personnel in the Operation, Care, Use, and Maintenance of Thermal Imagers - Effective Date: 12/1/2014                                                     | 2015 | NFPA(FIRE) | 17  |
