

Standards Manager Web Standards List
NG-National Grid, Natural Gas & Electricity

Id	Number	Title	Year	Organization	Page
1	UKBP/TP 236	UK Business Procedure/Transmission Procedure - Key Transmission Procedure Minimum Requirements as Applied to The Delivery of Electricity Transmission Single Asset Replacement/refurbishment/recondition Investments - Issue 3	2018	NG	0
2	UKBP/TP 188	UK Business Procedure/Transmission Procedures - TRANSMISSION CAPITAL DELIVERY ELECTRICITY - DESIGN MANAGEMENT - Issue 7	2018	NG	0
3	TGN(E) 297	Technical Guidance Note - Selective Protection Asset Replacement (SPAR) - Issue 1	2018	NG	0
4	TS 3.02.07	Technical Specifications - Bushings for High Voltage Alternating Current Systems - Issue 5	2018	NG	0
5	TGN(E) 192	Technical Guidance Notes - CREATION OF PLS TOWER MODELS - Issue 2	2018	NG	0
6	TS 3.24.101	National Grid Technical Specifications - Merging Units - Issue 1	2018	NG	0
7	UKBP/TP 183	UK Business Procedure/Transmission Procedure - Type Registered Equipment Procedural Requirements - Issue 7	2018	NG	0
8	AMBP 130	Asset Management Business Procedure - Management of OHL Work in ETO Operations - Issue 4	2018	NG	0
9	PS(T) 010	Policy Statements - Application and Protection Setting Policy for the National Grid UK Transmission System - Issue 4	2018	NG	0
10	TGN(E) 200	Technical Guidance Notes - Timescales and Techniques for The Rectification of Overhead Line Defects - Issue 7	2018	NG	0
11	TS 3.02.13	Technical Specifications - Gas Insulated Transmission Lines - Issue 3	2018	NG	0
12	UKBP/TP 144	UK Business Procedure/Transmission Procedure - ELECTRICITY TRANSMISSION PROJECT DELIVERY ROLE ASSESSMENT PROCESS - Issue 9	2017	NG	0
13	TS 3.04.36	Technical Specifications - Insulators and Insulator Sets for Overhead Lines - Issue 4	2017	NG	0
14	TS 3.04.35	Technical Specifications - Components For Overhead Lines - Issue 2	2017	NG	0
15	TGN(E) 094	Technical Guidance Notes - Operational Metering - Issue 3	2017	NG	0
16	TS 3.24.34	Technical Specifications - BUSBAR PROTECTION - Issue 3	2017	NG	0
17	TS 2.10.01	Technical Specifications - GENERIC ELECTRICITY SUBSTATION DESIGN MANUAL FOR CIVIL, STRUCTURAL AND BUILDING ENGINEERING - Issue 1	2017	NG	0
18	TGN(E) 298	Technical Guidance Note - APPLICATION OF EUROCODES TO TS 3.01.04 MODEL CALCULATIONS - Issue 1	2017	NG	0
19	TS 2.04	Technical Specifications - Generic Design Principles for Re-Utilisation of Overhead Lines - Issue 5	2017	NG	0
20	TGN(E) 043	Technical Guidance Notes - GENERAL REQUIREMENTS FOR THE INSTALLATION OF OPTICAL CABLE IN PROTECTIVE DUCTS - Issue 2	2017	NG	0
21	TS 3.04.37	Technical Specifications - Conductors and Conductor Systems for Overhead Lines - Issue 3	2017	NG	0
22	PS(T) 116	Policy Statements - Prevention of Unauthorised Access to Vulnerable Cable Crossings and Supporting Structures - Issue 1	2016	NG	0
23	TS 2.10.00	Technical Specifications - Generic Electricity Substation Design Manual for Civil, Structural and Building Engineering - Issue 3	2016	NG	0
24	TGN(E) 288	Technical Guidance Note - Limits for Temporary Overvoltages in England and Wales Network - Issue 1	2016	NG	0
25	TS 2.32	Technical Specifications - Statcom for Connection to 275kV and 400kV Systems - Issue 1	2016	NG	0
26	TS 2.10.14	Technical Specifications - Technical Security Specifications for Integrated Security Solution Sites - Issue 2	2016	NG	0
27	TGN(E) 285	Technical Guidance Note - Laser Scan to Revit Modelling Standards - Existing Conditions for Electricity Transmission Sites - Issue 1	2016	NG	0
28	UKBP/TP 214	UK Business Procedure/Transmission Procedures - Control of Access to Transmission Operational Sites - Issue 2	2016	NG	0
29	PS(T) 046	Policy Statements - Specification and Standard Ratings for Transformers, Reactors and Quadrature Boosters - Issue 2	2016	NG	0
30	TS 3.24.99	Technical Specifications - Protection & Control of a STATCOM for connection to 275kV & 400kV Systems - Issue 1	2016	NG	0
31	UKBP/TP 211	UK Business Procedure/Transmission Procedures - Bulk Purchase NGET Sourced Equipment Procedure - Issue 5	2016	NG	0

32	TS 3.24.20	National Grid Technical Specifications - Communications for Teleprotection - Issue 2	2016	NG	0
33	PS(T) 119	Policy Statements - Application and Migration of Communication Protocol From GI74 to IEC60870-5-100 Between Substation Control Systems (SCS) and The Integrated Energy Management Systems (IEMS) - Issue 1	2016	NG	0
34	UKBP/TP 106	UK Business Procedure/Transmission Procedures - Equipment Commissioning & Decommissioning - Issue 12	2016	NG	0
35	TS 3.01.08	Technical Specifications - Laser Scanning & Photogrammetry Surveying Standard for Fixed Gas & Electrical Transmission Sites - Issue 1	2016	NG	0
36	TGN(E) 259	Technical Guidance Notes - Type Registration of Overhead Lines - Issue 2	2016	NG	0
37	TGN(E) 267	Technical Guidance Notes - Technology Availability for Strategic Optioneering - Issue 3	2016	NG	0
38	UKBP/TP 235	UK Business Procedure/Transmission Procedures - Digital Engineering (PAS 1192-2&5) - Issue 1	2016	NG	0
39	TGN(E) 027	Technical Guidance Notes - Overvoltage Protection of Substation Equipment - Issue 3	2016	NG	0
40	UKBP/TP 215	UK Business Procedure/Transmission Procedures - Electricity Investment Process Environmental compliance and Sustainability - Issue 3	2016	NG	0
41	DH 31	Design Handbook - Digital Engineering - Issue 1	2016	NG	0
42	TGN(E) 286	Technical Guidance Notes - Technical Guidance and Technical Deviations to NGET Technical Specification as Applied to Single Asset Replacement/Refurbishment/Recondition Investments - Issue 3	2016	NG	0
43	TGN(E) 291	Technical Guidance Note - Calculation of Indicative Fire Damage Zone - Issue 1	2016	NG	0
44	TGN(E) 100	Technical Guidance Notes - Installation Techniques of Systems to Detect and Contain Leaking Oil from Power Cables - Issue 6	2016	NG	0
45	TS 3.04.29	Technical Specifications - Specification for The Design of New 400 Kv Transmission Line Towers (L13) - Issue 2	2016	NG	0
46	TGN(E) 287	Technical Guidance Notes - Third-Party Guidance for Working Near National Grid Electricity Transmission Equipment - Booklet	2016	NG	0
47	TS 3.04.26	Technical Specifications - Aerial Lidar Surveying Technical Specification - Issue 2	2016	NG	0
48	TGN(E) 279	Technical Guidance Notes - Unauthorised Access Risk Classification and Inspection of Vulnerable Cable Crossings and Support Structures. - Issue 1	2016	NG	0
49	TGN(E) 152	Technical Guidance Notes - Location of Substation Sites with an Earth Potential Rise Under Fault Conditions Above 650v (Hot Sites) - Issue 8	2016	NG	0
50	UKBP/TP 137	UK Business Procedure/Transmission Procedures - The Implementation of Construction (Design & Management) Regulations (CDM) 2015 for the Transmission Electricity Capital Programme - Issue 16	2016	NG	0
51	UKBP/TP 193	UK Business Procedure/Transmission Procedures - Programme Management - Planning & Project Controls - Issue 5	2016	NG	0
52	UKBP/TP 133	UK Business Procedure/Transmission Procedures - Provision of Telecommunications and Business Services at High Voltage Electricity Sites - Issue 4	2016	NG	0
53	TS 3.24.25	Technical Specifications - IEC 61850 Configuration - Issue 1	2016	NG	0
54	AMBP 136	Asset Management Business Procedure - Working at Height Standards Overhead Lines - Issue 3	2015	NG	0
55	CH 20	Commissioning Handbook - Settings Loading Verification Test - Issue 3	2015	NG	0
56	PS(T) 031	Policy Statements - Specification and Standard Ratings for Transformers, Reactors and Quadrature Boosters - Issue 2	2015	NG	0
57	PS(T) 011	Policy Statements - Alternative Use of Overhead Line Towers - Issue 3	2015	NG	0
58	TS 3.02.04	National Grid Technical Specifications - Current Transformers for Protection and General Use - Issue 6	2015	NG	0
59	PS(T) 072	Policy Statements - Oil Policy - Issue 3	2015	NG	0
60	UKBP/TP 124	UK Business Procedure/Transmission Procedures - Protection and Automatic Switching Schedules - Issue 8	2015	NG	0
61	TS 3.02.11	National Grid Technical Specifications - Air Systems Supporting the HV Network - Issue 2	2015	NG	0
62	TGN(E) 282	Technical Guidance Notes - Reyrolle Air Blast Circuit Breaker OIBR140 Silencer Dome Installation Procedure - Issue 1	2015	NG	0
63	UKBP/TP 184	UK Business Procedure/Transmission Procedures - Procedural Requirements for the Management of Temporary Works - Issue 3	2015	NG	0
64	TS 3.05.04	Technical Specifications - Sheath Bonding and Earthing for Insulated Sheath Power Cable Systems - Issue 7	2015	NG	0

65	TS 2.03	Technical Specifications - Power Transformers and Reactors - Issue 6	2015	NG	0
66	TS 3.05.02	Technical Specifications - A.C. Land Based Cable With Extruded Insulation for Rated Voltages Above 33 KV (UM = 36 KV) - Issue 3	2015	NG	0
67	UKBP/TP 175	UK Business Procedure/Transmission Procedures - Data Information Collection Process for Thermal Rating Schedules - Issue 5	2015	NG	0
68	UKBP/TP 182	UK Business Procedure/Transmission Procedures - Management of Outstanding Works - Issue 3	2015	NG	0
69	UKBP/TP 136	UK Business Procedure/Transmission Procedures - Site Responsibility Schedules - Issue 4	2015	NG	0
70	UKBP/TP 500	UK Business Procedure/Transmission Procedures - Network Development Process Map Enabling Document - Issue 3	2015	NG	0
71	UKBP/TP 109	UK Business Procedure/Transmission Procedures - Numbering and Nomenclature of HV Apparatus - Issue 3B	2015	NG	0
72	TS 3.04.25	Technical Specifications - Aircraft and Navigational Warning Lights - Issue 2	2015	NG	0
73	UKBP/TP 163	UK Business Procedure/Transmission Procedures - Site Installation - Issue 8	2015	NG	0
74	TS 2.05	Technical Specifications - Cable Systems - Issue 4	2015	NG	0
75	AMBP 051	Asset Management Business Procedure - Implementation of Construction (Design & Management) Regulations (CDM) 2015. Delivery of ETAM Operation Projects and Temporary Works Coordination for Construction - Issue 4	2015	NG	0
76	UKBP/TP 155	UK Business Procedure/Transmission Procedures - Connection and Non Connection Customer Self-Build - Issue 3	2015	NG	0
77	UKBP/TP 141	UK Business Procedure/Transmission Procedures - Authorisation Process for Commissioning, Settings and Design assurance Roles and Assessment Process for Contractor Design Approval Roles and Principal Designer Role - Issue 10	2015	NG	0
78	UKBP/TP 221	UK Business Procedure/Transmission Procedures - Technical Data Processing and Assurance - Issue 2	2015	NG	0
79	PS(T) 068	Policy Statements - Low Voltage Alternating Current (LVAC) Auxiliary Supplies for Transmission Substations - Issue 3	2015	NG	0
80	CH 27	Commissioning Handbook - Commissioning Application of TP107 to Alstom Grid MiCOM / Agile relays - Issue 4	2015	NG	0
81	UKBP/TP 135	UK Business Procedure/Transmission Procedures - Management of Drawings (Electricity Assets) - Issue 7	2015	NG	0
82	DH 23	Design Handbook - Guidance on Application of Operational Tripping Schemes - Issue 2	2015	NG	0
83	TS 3.05.09	Technical Specifications - Cable Fluid Pressure Guages & Switches - Issue 3	2015	NG	0
84	TS 3.24.67	National Grid Technical Specifications - GPS Substation Clock - Issue 2	2015	NG	0
85	UKBP/TP 205	UK Business Procedure/Transmission Procedures - Work Planning Process - Issue 4	2015	NG	0
86	CH 10	Commissioning Handbook - Primary and Secondary Injection Requirement for an Additional Circuit of High Impedance Circulating Current Busbar Protection with Single (Duplicated) Relays per Zone - Issue 2	2015	NG	0
87	PS(T) 063	Policy Statements - National Grid Protection Application and Setting at Railway Supply Points - Issue 3	2015	NG	0
88	UKBP/TP 131	UK Business Procedure/Transmission Procedures - Settlement Metering - Issue 4	2015	NG	0
89	UKBP/TP 229	UK Business Procedure/Transmission Procedures - SF6 Management and Usage Procedure - Issue 2	2015	NG	0
90	PS(T) AM 1.00	Policy Statements - Asset Management Policy for UK Electricity Transmission - Issue 9	2015	NG	0
91	TGN(E) 212	Technical Guidance Notes - National Grid Protection Application and Setting at Railway Supply Points - Issue 3	2015	NG	0
92	UKBP/TP 234	UK Business Procedure/Transmission Procedures - Management of Impressed Voltages and Methods of Control - Issue 1	2015	NG	0
93	NGUK/CD/BP 213E	UK Capital Delivery Business Procedures - Avoidance of Buried Services - Issue 3	2014	NG	0
94	UKBP/TP 169	UK Business Procedure/Transmission Procedures - Electricity Transmission Asset Management - Asset Data Structures - Issue 3	2014	NG	0
95	DH 24	Design Handbook - Guidance for Engineering Assurance Engineers - Issue 2	2014	NG	0
96	TS 3.02.02	Technical Specifications - Disconnectors and Earthing Switches - Issue 5	2014	NG	0
97	CH 22	Commissioning Handbook - Application and Setting of Protection Relays Used for Commissioning Purposes - Issue 3	2014	NG	0
98	TS 3.01.02	Technical Specifications - Earthing - Issue 5	2014	NG	0
99	PS(T) 021	Policy Statements - Application of Surge Protection to Substations and Cable Sealing End Compounds - Issue 2	2014	NG	0
100	TS 3.02.16	Technical Specifications - Disconnecting Circuit-Breakers - Issue 1	2014	NG	0

101	SCT 20.01	Site Commissioning Tests - Current Transformers Mangnetisation Tests - Issue 4	2014	NG	0
102	CH 21	Commissioning Handbook - Management of Numerical Protection Schemes - Issue 5	2014	NG	0
103	CH 26	Commissioning Handbook - Commissioning Application of TP107 to ABB 500 & 600 Series relays - Issue 3	2014	NG	0
104	TS 2.10.10	Technical Specifications - GIS and Other Substation Buildings Design - Issue 1	2014	NG	0
105	TGN(E) 257	Technical Guidance Notes - A Guide To Earth Return Current Calculation Part 1: Fundamentals and Analysis - Issue 1	2014	NG	0
106	TS 3.04.16	Technical Specifications - Fabrication and Erection of Lattice Tower Steelwork - Issue 3	2014	NG	0
107	TGN(E) 209	Technical Guidance Notes - Type Registration of Power Transformers - Issue 2	2014	NG	0
108	DH 04	Design Handbook - Guidance On Policy Application & Setting of Feeder Backup Protection - Issue 2	2014	NG	0
109	TS 3.24.70	Technical Specifications - Dynamic System Monitoring (DSM) - Issue 3	2014	NG	0
110	TGN(E) 057	Technical Guidance Notes - Algorithm for the Compensation of Three Phase Four Wire Settlement Metering - Issue 3	2014	NG	0
111	TS 3.02.03	National Grid Technical Specifications - Metal Oxide Surge Arresters - Issue 5	2014	NG	0
112	DH 08	Design Handbook - Guidance On The Preparation Of Settings For Non-Unit (Distance Protection for 400 & 275KV Feeders - Issue 2	2014	NG	0
113	TGN(E) 269	Technical Guidance Notes - Settlement Metering Overall Accuracy and Uncertainty - Issue 1	2014	NG	0
114	TGN(E) 056	Technical Guidance Notes - Settlement Metering - Issue 3	2014	NG	0
115	TS 2.10.13	Technical Specifications - Flood Defences for Electricity Substations - Issue 1	2014	NG	0
116	UKBP/TP 107	UK Business Procedure/Transmission Procedures - Protection and Control Relay Settings - Issue 11	2014	NG	0
117	DH 01	Design Handbook - Application Guidance Notes for The New Build & Asset Replacement of Transmission System Protection and Control Equipment - Issue 5	2014	NG	0
118	CH 28	Commissioning Handbook - Commissioning Application of TP107 to Siemens SIPROTEC relays - Issue 2	2014	NG	0
119	DH 19	Design Handbook - Design Assurance Generic Resource Estimates for Capital Delivery Projects - Issue 2	2014	NG	0
120	TS 2.20	Technical Specifications - Oil Containment At Electricity Substations and Other Operational Sites - Issue 5	2014	NG	0
121	UKBP/TP 162	UK Business Procedure/Transmission Procedures - Contingency Plans in Case of Failure of Numerical Busbar Protections - Issue 5	2014	NG	0
122	UKBP/TP 127	UK Business Procedure/Transmission Procedures - Lifetime Management of Substation Control Systems - Issue 5	2013	NG	0
123	TS 3.01.04 ADD 1	Technical Specifications - Busbar Systems for AIS Substations - Issue 2	2013	NG	0
124	CH 30	Commissioning Handbook - Commissioning Application of TP107 to Non Mainstream Supplier Protections. - DRS-BB - Trench CPR04 - Issue 3	2013	NG	0
125	UKBP/TP 186	UK Business Procedure/Transmission Procedures - Production of Electricity Transmission Capital Delivery Workbooks - Issue 4	2013	NG	0
126	UKBP/TP 216	UK Business Procedure/Transmission Procedures - Site Activity Competence Assurance - Issue 3	2013	NG	0
127	CH 29	Commissioning Handbook - Commissioning Application of TP107 to Balfour Beatty supplied GE UR relays - Issue 3	2013	NG	0
128	SCT 08.01	Site Commissioning Tests - Interlocking - Issue 3	2013	NG	0
129	SCT 01	Site Commissioning Tests - Requirements for Site Commissioning Tests - On Protection & Control Equipment - Issue 7	2013	NG	0
130	TS 3.01.03	Technical Specifications - Limitation of Fire Risk In Substations - Issue 2	2013	NG	0
131	DH 06	Design Handbook - Application & Setting of Substation LVAC Supply Equipment - Issue 2	2013	NG	0
132	DH 17	Design Handbook - Guidance On Livelink Mars for Settings Engineer (Verification) - Issue 2	2013	NG	0
133	CH 06	Commissioning Handbook - Current Transformers - Issue 4	2013	NG	0
134	CH 33	Commissioning Handbook - Commissioning Application of TP107 to Global Substation Solutions GE UR Relays - Issue 1	2013	NG	0
135	TS 3.02.14	Technical Specifications - Gas Insulated Switchgear - Issue 2	2013	NG	0
136	DH 16	Design Handbook - Guidance On Livelink Mars for Settings Engineer (Assurance) and Commissioning officer - Issue 2	2013	NG	0

137	DH 28	Design Handbook - Guidance On The Application of System Data for Protection Purposes - Issue 1	2013	NG	0
138	CH 04	Commissioning Handbook - Commissioning Principles - Issue 4	2013	NG	0
139	TS 3.24.97	Technical Specifications - System for Lock-Out of Delayed Automatic Reclosure for Feeder Circuits With Sections of Cable Or Gib/Gil - Issue 1	2013	NG	0
140	TS 3.24.23	Technical Specifications - Requirements for Remote Asset Management and Monitoring At National Grid Substations - Issue 1	2013	NG	0
141	SCT 15	Site Commissioning Tests - SCT15 Transformers (Applicable Also to Reators and Quandrature Boosters) - Issue 5	2013	NG	0
142	UKBP/TP 197	UK Business Procedure/Transmission Procedures - Earthing System Design Procedural Requirements Documentation - Issue 5	2013	NG	0
143	TS 3.24.44	Technical Specifications - Protection and Control Functions for â Zâ Substation - Issue 1	2013	NG	0
144	UKBP/TP 177	UK Business Procedure/Transmission Procedures - Elecricity Transmission Capital Delivery Unit Change Management - Issue 2	2013	NG	0
145	TS 3.04.31	Technical Specifications - Specification for Steelwork Inspection and Condition Assessment of Overhead Line Towers - Issue 1	2013	NG	0
146	TS 3.02.06	Technical Specifications - Current Transformers, Voltage Transformers and Combined Instrument Transformers for Settlement Metering - Issue 3	2013	NG	0
147	UKBP/TP 153	UK Business Procedure/Transmission Procedures - The Coordination of HV System Access for Capital Delivery & Asset Management Requirements - Issue 8	2013	NG	0
148	CH 31	Commissioning Handbook - LiveLink MARS User Guide for Commissioning Engineer (National Grid) - Issue 2	2013	NG	0
149	TS 3.24.91	Technical Specifications - Static Var Compensator Bay Functions - Issue 1	2013	NG	0
150	DH 10	Design Handbook - Electricity Substation Construction Civil, Structural and Building Engineering - Issue 4	2013	NG	0
151	TS 3.24.22	Technical Specifications - Ethernet Network Hardware for Substation Systems - Issue 1	2013	NG	0
152	TS 2.22	Technical Specifications - Perimeter Security Fencing for Substations and Other Operational Compounds Perimeter Security Fencing for Substations and Other Operational Compounds - Issue 4	2013	NG	0
153	UKBP/TP 200	UK Business Procedure/Transmission Procedures - Collaboration and Publication of Project Documents Via The Cpm Livelink System - Issue 4	2013	NG	0
154	TS 3.01.07	Technical Specifications - Substation Polymeric and Ceramic Insulation - Issue 1	2013	NG	0
155	AS009	Asset Management Business Procedures - Site Communication Requirements - Issue 2	2013	NG	0
156	TS 2.30	Technical Specifications - Series Compensation Bay for Connection To 275 Kv and 400 Kv Systems - Issue 1	2012	NG	0
157	TGN(E) 253	Technical Guidance Notes - Applying EMF Exposure Limits to Cables and Cable Tunnels - Issue 1	2012	NG	0
158	TS 3.24.92	Technical Specifications - Phasor Measurement Unit - Issue 1	2012	NG	0
159	TS 3.02.09	Technical Specifications - Solid Core Post Insulators for Substations - Issue 4	2012	NG	0
160	TS 3.05.15	Technical Specifications - Mass Impregnated Cable for HVDC Voltages Up To 800KV - Issue 2	2012	NG	0
161	DH 25	Design Handbook - Guidance On The Design and Use of Temporary Scaffold Guards - Issue 1	2012	NG	0
162	TS 3.24.81	Technical Specifications - Iec 60870-5-101 Communications Protocol - Issue 4	2012	NG	0
163	TGN(E) 252	Technical Guidance Notes - Type Registration of Protection and Control Solutions for Hvdc Systems - Issue 1	2012	NG	0
164	TS 3.01.05	Technical Specifications - Busbar Clamps and Components - Issue 2	2012	NG	0
165	TS 3.12.04	Technical Specifications - 48V & 110V D.C Supplies - Issue 2	2012	NG	0
166	TS 2.11	Technical Specifications - Static Var Compensators for Connection To 275 Kv and 400kv Systems - Issue 5	2012	NG	0
167	TS 3.04.15	Technical Specifications - Overhead Line Support Foundations - Issue 3	2012	NG	0
168	TGN(E) 255	Technical Guidance Notes - Functional Requirements for GIS Local Control and Protection - Issue 1	2012	NG	0
169	TS 3.24.95	Technical Specifications - Ancillary Services Business Monitoring - Issue 1	2012	NG	0
170	DH 27	Design Handbook - Application Guidance for The Use of Disconnecter Auxiliary Contacts In Protection Schemes - Issue 1	2012	NG	0
171	SCT 53	Site Commissioning Tests - Gas Insulated Transmission Line (GIL) Systems - Issue 1	2012	NG	0

172	TS 2.12	Technical Specifications - Substation Auxiliary Supplies - Issue 4A	2012	NG	0
173	SB(T) 023	Strategy Briefs - Use of Crushed Concrete - Issue 1	2012	NG	0
174	SB(T) 024	Strategy Briefs - IEC 60870-5-101 SCADA Protocol - Issue 1	2012	NG	0
175	UKBP/TP 119	UK Business Procedure/Transmission Procedures - Transmission Operation Diagrams and Technical Data Schedules - Issue 4	2012	NG	0
176	TS 3.24.88	Technical Specifications - Protection and Control for Series Compensation Bays - Issue 1	2012	NG	0
177	NGUK/CD/BP 134E	UK Capital Delivery Business Procedures - Project Delivery and Execution Requirements Procedure (Electricity) - Issue 4A	2012	NG	0
178	NGUK/CD/BP 210E	UK Capital Delivery Business Procedures - Environmental Requirements for Construction Projects - Issue 2a	2012	NG	0
179	TS 3.01.04	Technical Specifications - Busbar Systems for AIS Substations - Issue 2	2012	NG	0
180	NGUK/CD/BP 198E	UK Capital Delivery Business Procedures - The Management of Incident Investigation and Audit Report Recommendations - Issue 2A	2012	NG	0
181	TGN(E) 165	Technical Guidance Notes - IEC 60870-5-101 Protocol Implementation Requirements - Issue 3	2012	NG	0
182	TS 3.24.89	Technical Specifications - Protection & Control Switching Box - Issue 1	2012	NG	0
183	TGN(E) 241	Technical Guidance Notes - Box Protection & Control Switching - Issue 1	2012	NG	0
184	TS 3.04.14	Technical Specifications - Drawing and Detailing of Lattice Steel Towers - Issue 4	2012	NG	0
185	TS 3.05.12	Technical Specifications - Cable Tunnels - Issue 2	2012	NG	0
186	DH 20	Design Handbook - Application Guidance Notes for The Provision or Modifications of A Substation Control System - Issue 2	2012	NG	0
187	TS 3.10.14	Technical Specifications - Painting of Substation Plant, Equipment and Structures - Issue 1	2011	NG	0
188	TS 3.02.10	Technical Specifications - Voltage Grading Capacitors for Circuit Breakers - Issue 2	2011	NG	0
189	TS 3.05.07	Technical Specifications - Installation Requirements for Power and Auxiliary Cable - Issue 7	2011	NG	0
190	TS 3.03.02	Technical Specifications - Dry-Type Reactors for AC Systems - Issue 4	2011	NG	0
191	TGN(E) 237	Technical Guidance Notes - Classification of Overhead Line High Risk Spans - Issue 2	2011	NG	0
192	SCT 36	Site Commissioning Tests - Cable Systems - Issue 6	2011	NG	0

372	TS 3.24.39	National Grid Technical Specifications - Circuit Breaker Fail Protection - Issue 1; Incorporating Addendum No. 1: 08/01/2006	2000	NG	0
373	TGN(E) 015	Technical Guidance Notes - Protection and Control Equipment Meeting the Requirements of TPS 5/33 - Issue 9	2000	NG	0
374	SCT 20.12.13	Site Commissioning Tests - ALSTOM LFZR111 Distance Protection - Issue 1	2000	NG	0
375	TS 3.24.73	National Grid Technical Specifications - Electrical Measurement Transducers - Issue 1	2000	NG	0
376	SCT 20.03	Site Commissioning Tests - Tripping and Auxiliary Relays - Issue 3	2000	NG	0
377	TS 3.24.57	National Grid Technical Specifications - Standalone Quadrature Booster Control Systems - Issue 1	2000	NG	0

378	TS 3.24.03	National Grid Technical Specifications - Substation Facilities & Functions Common to all Bays - Issue 1	2000	NG	0
379	SCT 20.09	Site Commissioning Tests - Busbar Protection (High Impedance, Differential Current Balance) - Issue 3	2000	NG	0
380	TS 3.08.33	National Grid Technical Specifications - Optical Fibres - Issue 1	2000	NG	0
381	TS 3.24.72	National Grid Technical Specifications - Operational Metering Summator - Issue 1	2000	NG	0
382	SCT 31	Site Commissioning Tests - Cross Site Optical Links - Issue 4	2000	NG	0
383	SCT 37.04	Site Commissioning Tests - ABB HSD50 PLC Intertripping and Protection Signalling Equipment - Issue 1	2000	NG	0
384	SCT 20.02	Site Commissioning Tests - Current Transformers Primary Injection Tests - Issue 4	2000	NG	0
385	SCT 20.08.03	Site Commissioning Tests - VA Tech Reyrolle Duobias M Transformer Biased Differential Protection - Issue 3	2000	NG	0
386	SCT 16.07	Site Commissioning Tests - Commissioning Schedule for Ancillary Services Generator Response Monitor Unit - Issue 1	2000	NG	0
387	SCT 20.04.02	Site Commissioning Tests - Lead and CT Resistance Diagram - Issue 3	2000	NG	0
388	TS 3.24.36	National Grid Technical Specifications - Teleprotection (Command Based) - Issue 1	2000	NG	0
389	SCT 20.12.15	Site Commissioning Tests - SCHWEITZER SEL 321-2 Distance Protection with Integral Signalling - Issue 1	2000	NG	0
390	TPS 2.7.1	Transmission Plant Specifications - Provision of Information and Controls to National Grid Control Points and Other Users - Issue 3	2000	NG	0
391	TS 3.24.17	National Grid Technical Specifications - Ferroresonance Suppression - Issue 1	2000	NG	0
392	TS 2.24	National Grid Technical Specifications - Substation Information, Control, Protection and Metering - Issue 1	2000	NG	0
393	TS 3.24.78	National Grid Technical Specifications - Thermal Overload Protection - Issue 1	2000	NG	0
394	TS 3.24.04	National Grid Technical Specifications - Hardware Platform - Issue 1; Incorporating Addendum No. 1: 03/25/2010	2000	NG	0
395	TS 3.24.61	National Grid Technical Specifications - Automatic Tap Change Control - Issue 1	2000	NG	0
396	SCT 20.10.04	Site Commissioning Tests - Differential Protection Translay S Manufactured by ALSTOM T&D Protection & Control Ltd - Issue 4	2000	NG	0
397	TGN(E) 066	Technical Guidance Notes - Thermal Overload Capabilities of Protection Equipment - Issue 3	2000	NG	0
398	TS 3.24.16	National Grid Technical Specifications - Delayed Automatic Reclosing (DAR) - Issue 1	2000	NG	0
399	SCT 20.12.14	Site Commissioning Tests - SIEMENS 7SA513 Distance Protection - Issue 1	2000	NG	0
400	TS 3.24.15	National Grid Technical Specifications - Environmental and Test Requirements for Electronic Equipment - Issue 1; Incorporating Addendum No. 1: 02/23/2011	2000	NG	0
401	SCT 20.04.01	Site Commissioning Tests - Insulation Resistance Tests - Issue 3	2000	NG	0
402	TS 3.24.35	National Grid Technical Specifications - Non-Unit Feeder Protection - Issue 1	2000	NG	0
403	TS 3.24.18	National Grid Technical Specifications - Unit Feeder Main Protection - Issue 1; Incorporating Addendum No. 1: 07/03/2012; Addendum No. 2: 07/08/2014	2000	NG	0
404	TS 3.24.07	National Grid Technical Specifications - Feeder Bay Functions - Issue 1	2000	NG	0
405	SCT 20.06	Site Commissioning Tests - Differential Earth Fault Protection - Issue 3	2000	NG	0
406	TS 3.24.38	National Grid Technical Specifications - Overcurrent Protection - Issue 1	2000	NG	0
407	TS 3.24.40	National Grid Technical Specifications - Cross Site Communication Links for Teleprotection - Issue 1	2000	NG	0
408	SCT 20.20.01	Site Commissioning Tests - ABB SPAJ160C Capacitor Protection Relay - Issue 1	1999	NG	0
409	SCT 20.12.12	Site Commissioning Tests - ABB REL 531 Distance Protection - Issue 1	1999	NG	0
410	TS 3.05.08	National Grid Technical Specifications - Cable Cooling Systems - Issue 2	1999	NG	0
411	SCT 16.05	Site Commissioning Tests - Commissioning Schedule for System Monitoring Equipment (SME) Supplied by Hathaway Power Instrumentation Ltd - Issue 3	1998	NG	0
412	SCT 20.19.01	Site Commissioning Tests - ABB REL561 Current Differential Protection - Issue 2	1998	NG	0
413	CH 05	Commissioning Handbook - Mandatory Items of Commissioning Practice - Issue 1	1998	NG	0
414	SCT 38	Site Commissioning Tests - Circuit-breakers - Issue 2	1998	NG	0
415	SCT 32.01	Site Commissioning Tests - Substation Control System - Issue 2	1998	NG	0

416	SCT 24	Site Commissioning Tests - Delayed Auto-reclose Equipment - Issue 2	1998	NG	0
417	CH 13	Commissioning Handbook - Electromagnetic Voltage Transformer Ferroresonance Avoidance During Switching Programme/Circuit Energisation - Issue 2	1998	NG	0
418	SCT 20.18	Site Commissioning Tests - Protection and Control Equipment Complying with TPS 5/33 - Issue 2	1998	NG	0
419	SCT 23.03	Site Commissioning Tests - Brush â Syscheckâ Relay - Issue 2	1998	NG	0
420	SCT 20.17.03	Site Commissioning Tests - REL 350 (MSPC) Phase Comparison Protection Relay - Issue 2	1998	NG	0
421	SCT 05.01.02	Site Commissioning Tests - Earthing Switch - Motorized - Issue 2	1998	NG	0
422	TS 2.13	Technical Specifications (NGTS) - Electronic Equipment - Issue 3	1998	NG	0
423	SCT 20.12.11	Site Commissioning Tests - ABB RELZ100 Distance Protection - Issue 2	1998	NG	0
424	SCT 30	Site Commissioning Tests - Transformer Automatic Voltage Control Equipment - Issue 2	1998	NG	0
425	SCT 11	Site Commissioning Tests - Switching and Transforming Stations 415 V A.C. Switchboard - Issue 2	1998	NG	0
426	SCT 16	Site Commissioning Tests - 132 kV Combined Voltage and Current (VT/CT) Transformers for Tariff Metering - Issue 3	1998	NG	0
427	SCT 20.08.02	Site Commissioning Tests - LFCB 102/103 Digital Current Differential Relay and MITZ-01 Interface Units - Issue 2	1998	NG	0
428	SCT 23.02	Site Commissioning Tests - Synchronizing Scheme - Tests Per Circuit - Issue 2	1998	NG	0
429	CH 11	Commissioning Handbook - Substation Control Systems Stages in Transfer of Control and Testing Requirements - Issue 3	1998	NG	0
430	SCT 10.02	Site Commissioning Tests - Air Compressor Plant Air Dryers - Issue 2	1998	NG	0
431	SCT 20.12.08	Site Commissioning Tests - GEC Quadramho (SHPM) Distance Protection - Issue 2	1998	NG	0
432	SCT 04.02	Site Commissioning Tests - Disconnecter - Manually Operated - Issue 2	1998	NG	0
433	SCT 45	Site Commissioning Tests - RFL 9660 Substation Dial-Up Switch - Issue 1	1998	NG	0
434	SCT 35.02	Site Commissioning Tests - Cegelec T5000 Automatic Reactive Switching (ARS) System - Issue 1	1998	NG	0
435	SCT 30.01	Site Commissioning Tests - GEC PERM Automatic Voltage Control (AVC) System - Issue 2	1998	NG	0
436	SCT 23.01	Site Commissioning Tests - Synchronizing Scheme - Tests Per Station - Issue 2	1998	NG	0
437	SCT 05.01.01	Site Commissioning Tests - Earthing Switch - Hand Operated - Issue 2	1998	NG	0
438	SCT 20.12.09	Site Commissioning Tests - GEC Alsthom OPTIMHO (LFZP) Distance Protection - Issue 2	1998	NG	0
439	SCT 30.02	Site Commissioning Tests - Cegelec T5000 Automatic Voltage Control (AVC) System - Issue 2	1998	NG	0
440	TGN(E) 133	Technical Guidance Notes - Protection Against Rise of Earth Potential and Induced Voltages on Telecommunication Cables at Substation Sites - Issue 1	1998	NG	0
441	SCT 20.08.01	Site Commissioning Tests - Transformer Biased Differential Relay Type MBCH Manufactured by GEC Measurements - Issue 2	1998	NG	0
442	SCT 40	Site Commissioning Tests - High Speed Digital Intertripping Equipment, HSDI-3 - Issue 2	1998	NG	0
443	SCT 20.12.06	Site Commissioning Tests - Reyrolle THR Distance Protection - Issue 3	1998	NG	0
444	SCT 04.01	Site Commissioning Tests - Disconnecter - Motorized - Issue 2	1998	NG	0
445	SCT 33	Site Commissioning Tests - Newbridge Networks - Issue 4	1998	NG	0
446	SCT 20.16.01	Site Commissioning Tests - Power-Line-Carrier Phase Comparison Protection (Type P10) - Issue 2	1998	NG	0
447	SCT 34	Site Commissioning Tests - Ericsson DCX-5 Control Telephone Exchange Using ASNR 50101\R2 Software - Issue 2	1998	NG	0
448	SCT 28.02	Site Commissioning Tests - GEC LPRF-101 Midar Fault Recorders - Issue 2	1998	NG	0
449	SCT 16.06	Site Commissioning Tests - Commissioning Schedule for MATROSE Monitoring Equipment supplied by Hathaway Power Instrumentation Ltd - Issue 4	1998	NG	0
450	SCT 32.02	Site Commissioning Tests - Remote Substation Controller - Issue 2	1998	NG	0
451	SCT 06	Site Commissioning Tests - Fault Throwing Switch - Issue 2	1998	NG	0
452	SCT 26	Site Commissioning Tests - Overall Tripping and Control Tests - Issue 2	1998	NG	0
453	SCT 07	Site Commissioning Tests - Neutral Earthing Resistor - Issue 2	1998	NG	0

454	SCT 28.01	Site Commissioning Tests - CSD IMS8 Fault Recorders - Issue 2	1998	NG	0
455	SCT 20.16.03	Site Commissioning Tests - T3 Telephase Phase Comparison Powerline Carrier Protection - Type MFDA-1 - Issue 2	1998	NG	0
456	SCT 35.01	Site Commissioning Tests - GEC PERM Automatic Reactive Switching (ARS) System - Issue 2	1998	NG	0
457	SCT 16.08	Site Commissioning Tests - BMI 8010 PQNode Quality of Supply Monitor - Issue 2	1998	NG	0
458	SCT 21	Site Commissioning Tests - General Secondary Wiring and Multicore Cabling - Issue 2	1998	NG	0
459	CH 08	Commissioning Handbook - Primary and Secondary Injection of Auto Transformer Overall Circulating Current Protection (with Primary Test Winding Available) - Issue 2	1998	NG	0
460	SCT 44	Site Commissioning Tests - Nokia V.33 Modem, GI74 Multiplexer and Associated Communications Equipment - Issue 2	1998	NG	0
461	SCT 03.02.03B	Site Commissioning Tests - GIS Gapless Metal Oxide Surge Arresters - Issue 2	1998	NG	0
462	SCT 20.12.07	Site Commissioning Tests - GEC MICROMHO (SHNB) Distance Protection - Issue 2	1998	NG	0
463	SCT 28.03	Site Commissioning Tests - Ferranti Lindar 1B Fault Recorders - Issue 2	1998	NG	0
464	SCT 09.01	Site Commissioning Tests - Capacitor Voltage Transformer, Line Trap, Coupling Device and System Combining Filter - Issue 3	1998	NG	0
465	TGN(T) 127	Technical Guidance Notes - Modelling of an Auto-Transformer with Tertiary Loading - Issue 1	1997	NG	0
466	SCT 39	Site Commissioning Tests - Static Var Compensators (Plant Items and Site Performance Tests) - Issue 1	1996	NG	0
467	TGN(T) 067	Technical Guidance Notes - Current Ratings for Cables - Issue 1	1996	NG	0
468	TGN(T) 018	Technical Guidance Notes - Power Line Carrier (PLC) Channels - Issue 3	1996	NG	0
469	TS 3.07.19	National Grid Technical Specifications - Local Control Point Facilities - Issue 2	1995	NG	0
470	TGN(T) 047	Technical Guidance Notes - Design and Use of Skycradles at Line Crossings of Motorways, Other Major Roads and Railways - Issue 1	1994	NG	0
471	TGN(T) 060	Technical Guidance Notes - Guidance for Refurbishing Overhead Lines to Minimise Audible Noise - Issue 2	1994	NG	0
472	TGN(T) 042	Technical Guidance Notes - General Requirements for the Installation of Self Supporting Optical Cable to Overhead Power Lines - Issue 1	1993	NG	0
473	TGN(T) 041	Technical Guidance Notes - General Requirements for the Installation of Externally Attached Optical Cable to Overhead Line Earthwires - Issue 1	1993	NG	0
474	TS 3.08.22	National Grid Technical Specifications - Methods and Procedures for Underground Duct Laying and Associated Works - Issue 1	1993	NG	0
475	SCT 20.05.01	Site Commissioning Tests - Inverse Time Lag Over-current/Earth Fault and Directional Over-current/Earth Fault Protection - Issue 1	1970	NG	0
476	SCT 05.02	Site Commissioning Tests - Maintenance Earthing Device - Issue 1	1970	NG	0
477	SCT 05.01	Site Commissioning Tests - Earthing Switch - Issue 1	1968	NG	0
478	SCT 20.04.03	Site Commissioning Tests - Lead Resistance Diagram for Differential and Restricted Earth Fault Protection of Double Wound Transformers - Issue 1	1968	NG	0
